Dear Parents/Guardians;

As you are all aware we at FVPS have transitioned into *Schoolcash Online*, thus making things more convenient and more accurate for not only us in the office but for you at home as well. **As of today (December, 3, 2019) all fees must be paid through SchoolCash Online.** Paying for items the school offers online leaves little to no room for error for everyone.

For the upcoming Basketball season we require all parents to sign up to *SchoolCash Online* and pay the fees using this method. **We will no longer be accepting cash or personal cheque at the office.** If your child is on any of the sports teams and have fees to pay please sign up online, and if any of you need help doing so please come by the office and Mrs. Wieler will gladly help you do so. We are sending home the instructions we previously sent home in September for further help.

You **DO NOT** need a credit to be able to sign up and pay online. There are a few different payment methods available to you once you are all signed up and are ready to shop, and all of this can be done right from your smartphone. Below are instructions to register.

### **Here is how to Register Online:**

**Step 1:** Go to [fvsd.schoolcashionline.com](http://fvsd.schoolcashionline.com)

**Step2:** Select "**Register**" and follow the online steps.

**Step3:** After you receive the confirmation email, please select "**click here**" option, then sign in and add each child to your account. Depending on your child's activities there might not be anything for you to purchase at this time, but please register anyway because at some point in the year you will need to use it.
